POSTAL REGULATORY COMMISSION

July 17, 2014

Hon. Shoshana M. Grove, Secretary
Postal Regulatory Commission
901 New York Avenue NW, Suite 200
Washington, D.C. 20268-0001

Dear Ms. Grove:

In connection with the Commission's rules pertaining to periodic reports, 39 C.F.R. § 3050 (2013), I have enclosed copies of the following:

National Payroll Hours Summary Report, Pay Periods 12-14, FY 2014.

On computer disks, I have also enclosed electronic versions of these reports in the form of Excel spreadsheets.

Please note that these and future reports incorporate certain format changes that we have developed in consultation with the Commission's staff. The format has been revised, but the information provided remains the same as in previous submissions of these data.

The main difference in appearance is that the previous format subdivided, by page, the information for each specific "Reference Number ID (Job Titles)," whereas the current format lists all "Reference Number ID (Job Titles)" to the left of the report attributes. For example, the previous format of the report contained a page entitled "Postmasters, CAG A-G," with all workhour information for that job title on one page. The current format does not have a subtitle for each page. The report lists all workhour information for "Postmasters, CAG A-G," then moves directly into the workhour information for the next job title, "Postmasters, CAG H-J," on the same page.

Whereas the previous format displayed "Current Period" information ("Dollars, Hours, Average Hourly Rate") on the left-hand side of the "Description" (type of hours worked), with "Year-To-Date-Period Dollars, Hours, and Average Hourly Rate" on the right-hand side of the "Description" (type of hours worked), in the new format, all of the information is on the right-hand side of the "Description" (type of hours worked) and "Pay Period Desc" (pay period), beginning with the current pay period information,

followed by the year-to-date (YTD) information.

If you have any questions about these changes in format, please do not hesitate to contact us.

Sincerely,
